

# YOUR 2022 IMPACT ON THE MND COMMUNITY

2022 WAS MND VICTORIA'S MOST IMPACTFUL YEAR YET.

# THANKS TO YOU

Those impacted by MND are why we do what we do, but **YOU** are the how.

You are the essential piece of the puzzle that allows us to provide the best possible care and support to those impacted by this devastating disease.

WITH YOUR HELP WE WERE ABLE TO:

Support 772 people living with MND.

Deliver 16,849 hours of support, ensuring no one faces this disease alone.

Provide 3,197 equipment items, at no cost to those living with MND. Helping them live as well as possible, for as long as possible.

Educate over 295 health professionals with more knowledge about motor neurone disease.

Create a new service, Carer Respite - supporting 155 carers and counting.

**MORE FUNDS GOING DIRECTLY TOWARDS HELPING THOSE WHO ARE LIVING WITH MND TODAY, AND THOSE WHO WILL BE TOMORROW.**

Directing more funds each year towards making an even bigger difference! With increases in our funding towards care services, vital assistive equipment, and research, all the while decreasing our administration costs to be only 3% of our yearly expenditure.

OUR WORK SIMPLY WOULDN'T BE POSSIBLE WITHOUT REMARKABLE PEOPLE DOING REMARKABLE THINGS. ESPECIALLY YOU.
